Interfaith Ministers ...  
inclusive global spirituality,  
serving people  
from all faiths  
or none.

SACRED HEALING CIRCLE invites those looking for a powerful and sacred space in which to

- listen to one or two sacred readings during meditation
- receive Healing as a group
- send Healing out to those who we individually name on the evening
- send Healing out to all in need and to Mother Earth
- **Crystal Bowls** are played ~ to balance the energies of the body, clear the mind and open the body to receive healing on all levels

At the end of the evening you are invited to place names onto the 'Golden Heart' for those wishing to receive healing on a daily basis for a month. A dedicated team of Healers sends healing out to those named every day. This list is renewed monthly and if you would like to add names to this list - please email the address below.

**Cost:** Donations only - just as a contribution towards rent (if not at Vention Cottage) teas/coffees & biscuits which are served afterwards and all are welcome!
